

MUHAMMAD AQIB

.NET WEB DEVELOPER

Profession

.Net Core Web Developer skilled in creating and editing Web Applications. Seeking a position to leverage technical skills in resolving issues and providing efficient support. Committed to ensuring optimal functionality and user satisfaction within the IT domain

Work Experience

Front-end Designer

Xprosol, Gujrat | 2021 –2022

As a Web Designer at Xprosol, I play a crucial role in crafting visually appealing and user-friendly digital experiences. I collaborate with cross-functional teams, translating creative concepts into compelling, responsive web designs.

Implement designs that are responsive across various devices, ensuring optimal user experience on desktops, tablets, and mobile devices.

.Net Core Developer

Xprosol, Gujrat | 2022 - 2023

Architect and implement server-side logic using .NET Core to ensure the seamless functioning of web applications.

Integrate server-side logic with user-facing elements, collaborating closely with frontend developers to achieve a cohesive and responsive user interface.

Design and maintain databases, ensuring efficient data storage and retrieval.

Education

BACHELOR OF COMPUTER SCIENCE

University of Gujrat, Gujrat

Graduated–Bachelor of Computer Science(2016-2021)

.NET CORE WEB APPLICATIONS COURSE

Online | 2021

Take advantage of online .Net Core Course from various online platforms.
